ARTICLE 1 – PURPOSE

- 1.01 The purpose of this Agreement is to:
- (a) establish an orderly collective bargaining relationship between the Employer and its team members;
 - (b) provide for prompt and equitable disposition of grievances; and
 - (c) establish negotiated working conditions for all team members within the Bargaining Unit.
- 1.02 The Union recognizes that the Employer is in the business of providing residential and supportive services in a home-like environment to seniors and that the senior living business is highly competitive. Therefore, the Employer must remain resident-focused, operationally efficient, cost-effective and continually improve its processes and services.

ARTICLE 2 – SCOPE AND RECOGNITION

- 2.01 The Employer recognizes the Union as the sole and exclusive bargaining agent for all employees of Sunrise of Aurora in the city of Aurora, save and except supervisors and persons above the rank of supervisor.
- 2.02 The Employer agrees that it will not enter into any other agreement with those team members for whom the Union has bargaining rights, either individually or collectively, which will conflict with any of the provisions of this Agreement.

ARTICLE 3 – MANAGEMENT RIGHTS

- 3.01 The Union acknowledges that the management of the Employer's operations and the direction of its team members are vested exclusively with the Employer and is only limited by specific provisions of this Agreement. Without limiting the generality of the foregoing, it is the exclusive function of the Employer to:
- (a) determine and establish standards and procedures for the care of Sunrise's residents, which include the universal and designated models of care, and to maintain and protect the residents' health, welfare, safety and comfort;
 - (b) maintain order, discipline and efficiency and, in connection therewith, to establish, amend and enforce reasonable policies, rules, procedures and standards of performance to be adhered to by team members provided that they shall not be inconsistent with the provisions of this Agreement;

- (c) hire, transfer, lay-off, recall, promote, demote, assign duties to team members;
- (d) suspend, discharge or otherwise discipline team members for just cause;
- (e) discharge team members who have not successfully completed their probationary period at its sole discretion, provided that such discretion shall not be exercised in a manner that is arbitrary, discriminatory or in bad faith;
- (f) plan, direct, control and supervise team members' work; and
- (g) plan, direct and control the operations including but not limited to: determination of the services provided; introduction of new methods, facilities and equipment; control over the amount of supervision; combining or splitting up of departments; establishment of work schedules; the extension, limitation, curtailment or cessation of operations or any part thereof and the increase or reduction in workforce and/or full-time to part-time ratios in any particular area or on the whole.

ARTICLE 4 – WORK OF THE BARGAINING UNIT

4.01 Persons excluded from the bargaining unit shall not perform duties normally performed by the bargaining unit members if such performance directly results in the layoff, as defined in Article 11.02, of a bargaining unit team member.

ARTICLE 5 – DEFINITIONS

- 5.01 A “team member” is defined as an employee of the Employer subject to this Agreement.
- 5.02 A full-time team member is defined as a team member occupying a full-time position that being a position regularly scheduled for more than twenty-five (25) hours per week.
- 5.03 A part-time team member is defined as a team member not occupying a full-time position. While a part-time team member may work more than twenty-five (25) hours in a week on a temporary basis or because of call ins or other unscheduled shifts, this does not change her status to that of a full-time team member for any purpose under this Agreement.
- 5.04 A probationary team member is defined as a team member who has not successfully completed the probation period as defined in Article 11. The Parties agree that the Employer has the right to discharge a probationary team member

at its sole discretion provided that such discretion is not exercised in an arbitrary, bad faith or discriminatory manner.

- 5.05 Seniority for **full-time and part time** team members is defined as the length of continuous employment with the Employer from the last date of hire. Seniority is administered bargaining unit wide. Seniority shall continue to accrue as provided for by applicable legislation and/or up to a maximum of thirty (30) calendar days while on authorized leaves of absence subject to the provisions of this Agreement.

Clarity Note: Part Time Team Members may work in excess of 1950 hours in any calendar year; however hours worked in excess of 1950 will not be used for the accumulation of the team member's seniority for that year.

- 5.06 Service is defined as the length of continuous employment with the Employer from the last date of hire.
- 5.07 Emergency is defined as an event or situation out of the control of the Employer.
- 5.08 Where the feminine pronoun is used in this Agreement, it shall mean and include the masculine pronoun where the context so applies.
- 5.09 Where the singular is used, it may also be deemed to mean the plural, within the appropriate context.

ARTICLE 6 – UNION SECURITY

- 6.01 The Union and team members shall not engage in Union activities during working hours or on the Employer's premises without the prior authorization of the Executive Director or designate.
- 6.02 (a) The Employer and the Union agree that there shall be no discrimination, interference, restraint or coercion exercised or practiced upon any team member because of membership or non-membership in the Union or participation or non-participation in Union activities all of which is hereby recognized as a voluntary act on the part of the individual concerned.
- (b) The Employer and the Union agree to abide by the Ontario Human Rights Code.
- 6.03 (a) All Team Members who are in the employ of the Employer on the effective date of this Agreement and all new Team Members who enter the employ of the Employer after this Agreement comes into force shall, as a condition of employment, become a member of the Union and be subject to a one time Initiation Fee (for newly hired Team Members) and

regular monthly Union dues shall be deducted from their wages and remitted to the Union **in the amount designated by the Union.**

It is understood that dues shall be deducted from all Team Members beginning in their first month of hire.

- (b) The Employer agrees to forward a list of dues deductions in an electronic format showing the names, current addresses on file, Social Insurance Numbers, hourly rate, hours worked and the amount of dues remitted on behalf of each of the team members for whom deductions have been made. Should the Employer's payroll provider be able to provide team member telephone numbers in the future, that information shall be provided as well.
- (c) All dues are deducted as per the direction of the Secretary Treasurer. Dues shall be forwarded to the Union's office on or before the fifteenth (15th) of the month following.

The Employer further agrees to provide the Union with the team members' changed addresses with each dues remittance.

- 6.04 (a) Union dues are not deducted from SUB plan payments and the Employer has no responsibility for Union dues while a team member is off on any leaves under this Agreement.
- 6.05 (a) The Union and its members shall hold the Employer harmless with respect to any liability which the Employer might incur as a result of deductions and remittances.
 - (b) The Employer will provide each employee with a T4 slip showing the annual union dues paid by that employee for the year previous.
- 6.06 The Employer will make arrangements once a month for a Union Steward to meet with new team members to attend voluntary meetings for the purpose of informing them of the existence of the Union in the Community. The Employer shall advise the Union monthly of the names of the new team members and a mutually agreeable time and place on the Employer's premises designated for such meetings, the duration of which shall not exceed fifteen (15) minutes per month.

ARTICLE 7 – NO STRIKES OR LOCK-OUTS

- 7.01 The Union agrees that there shall be no strikes and the Employer agrees that there shall be no lock-outs during the term of this Agreement. The meaning of the words "strike" and "lock-out" shall be as defined in the Ontario Labour Relations Act, 1995, as amended.

7.02 Without limiting the Employer's general right to discipline team members for just cause, the Parties agree that team members who instigate or take part in any strike, work stoppage or slowdown, as defined in 6.01 on the Employer's premises during the term of this Agreement may be subject to discipline up to and including discharge.

ARTICLE 8 – UNION COMMITTEE

- 8.01 (a) The Parties agree that the Union and the team members have the right to elect or otherwise select a negotiating committee consisting of three (3) representatives. All members of the negotiation committee shall be team members who have completed their probationary period.
- (b) The Employer shall pay the wages of up to a maximum of three (3) team members for time spent in direct negotiations (up to and including conciliation) with the Employer during their scheduled working hours.
- (c) Where there is not currently an existing practice the Employer agrees to provide reasonable access to facsimile machines and telephones for the purpose of administration of this collective agreement.
- (d) In the event that the Parties to this Collective Agreement agree to negotiate for its renewal through the process of central bargaining they shall first attempt to reach agreement to terms of reference for bargaining, failing which bargaining shall proceed separately for each Collective Agreement.
- 8.02 The Employer will recognize three (3) Union Stewards elected or otherwise selected by the Union, one (1) of whom shall be the Chief Steward. Not more than one (1) Union Steward shall meet with not more than one (1) representative of the Employer at any one time unless the Employer and the Union mutually agree otherwise.

The Employer and the Union agree to advise each other of the names of their respective representatives and agree to notify each other of any changes from time to time. All stewards shall be team members who have successfully completed their probationary period.

- 8.03 (a) The Union acknowledges that stewards must continue to perform their regular duties and must not allow their steward duties to interfere with the Employer's universal care model and resident-focused care. Therefore, so far as possible all activities of the stewards shall be carried on outside the steward's working hours, unless otherwise mutually arranged between the Employer and the Union.

- (b) It is acknowledged that it may be necessary for a steward to carry out her duties during working hours. In these situations, the steward will first obtain the Department Coordinator's or Executive Director's or designate's permission before leaving her work area and undertaking Union business. When such Union business has been completed, the steward will advise the Department Coordinator or Executive Director or designate as applicable. Such permission will not be unreasonably withheld.
- (c) Union and team members shall not hold meetings at any time on the Employer's premises without the express authorization of the Executive Director or designate. Such authorization will not be unreasonably withheld.

8.04 Labour-Management Meetings

Where there are matters of mutual concern and interest that would be beneficial if discussed at a Labour-Management Committee meeting during the term of this Agreement, the following shall apply:

Two (2) representatives of each party shall meet at a time and place mutually satisfactory. A request for such meeting will be made in writing, wherever possible at least ten (10) calendar days prior to the date proposed and accompanied by an agenda of matters proposed to be discussed, which shall not include matters that are properly the subject of a grievance or matters that are properly the subject of negotiations for the amendment or renewal of this Agreement. Suitable subjects for discussion will be those the parties deem appropriate.

A Union staff member may attend as a representative of the Union. Meetings may be held quarterly unless otherwise agreed.

ARTICLE 9 – GRIEVANCE PROCEDURE

9.01 Complaints and Grievances

- (a) A grievance under this Agreement shall be defined as any difference or dispute between the Employer and any team member or the Union relating to the interpretation, application, administration or alleged violation of this Agreement, including any questions as to whether the matter is arbitrable.
- (b) It is the mutual desire of the parties hereto that complaints of team member(s), the Union, and the Employer shall be adjusted as equitably as possible, and it is understood that a team member has no grievance until she has first given her Department Co-ordinator or designate an opportunity to address her complaint.

9.02 (a) All complaints and grievances shall be taken up in the following manner:

Step No. 1

A team member having a question or complaint shall refer it to her Department Co-ordinator or designate within seven (7) working days of the actual occurrence or complaint, unless it was impossible to refer it within this time limit. At this stage, the team member may be accompanied by a Union Steward, if she so desires. The Department Co-ordinator or designate shall reply to the team member giving the answer to the complaint or question within seven (7) working days from date of submission.

(b) Step No. 2

If the grievance is not settled at Step No. 1, the grievance may be submitted in writing to the Executive Director or designate within seven (7) working days of the receipt of the Department Co-ordinator or designate's reply at Step No. 1. The Employer, the team member and the SEIU Staff Representative will meet and discuss the grievance within seven (7) working days. The Regional Director of Operations may participate in this meeting at the Employer's discretion. The Executive Director or designate shall provide her reply to the team member and the Union in writing within seven (7) working days of the meeting. The team member shall have the assistance of a Union Steward, if she so desires.

9.03 Discharge Grievance

(a) In the event a probationary team member is discharged from employment and the team member feels that she had been discharged in an arbitrary manner, in bad faith or in a discriminatory manner, the case may be taken up as a grievance.

(b) All discharge grievances shall be submitted to the Regional Director of Operations or designate in writing in accordance with Step No. 2 of the Grievance Procedure set out in this Article within five (5) calendar days of the date on which the Employer notifies the team member of her discharge in writing.

9.04 Employer's Grievance

The Employer may institute a grievance consisting of an allegation of a general misinterpretation or violation of this Agreement by the Union in writing at Step No. 2 of the grievance procedure, providing that it is presented within ten (10) working days after the actual occurrence leading to the question or complaint unless it was impossible to refer within this time limit. The Union shall give its

reply within five (5) working days after receipt of the grievance. Failing settlement, the grievance may be referred to arbitration by the Employer in accordance with the procedure set out in Article 9 within fifteen (15) calendar days of the receipt of the Union's reply.

9.05 Group Grievance

Where a number of team members have similar grievances and each team member would be entitled to grieve separately, they may present a group grievance identifying each team member who is grieving to the Regional Director of Operations or designate within ten (10) working days of the actual occurrence leading to the question or complaint, unless it was impossible to refer it within this time limit. The grievance initiated at Step No. 2 and the applicable provisions of this article shall then apply with respect to the processing of such grievance.

9.06 Union Policy Grievance

The Union may institute a grievance consisting of an allegation of a general misinterpretation or a violation by the Employer of this Agreement in writing at Step No. 2 of the grievance procedure, providing that it is presented within ten (10) working days of the actual occurrence leading to the question or complaint, unless it was impossible to refer within this time limit. However it is expressly understood that the provisions of this clause may not be used to institute a grievance directly affecting a team member or team members which such team member or team members could themselves initiate and the regular grievance procedure shall not thereby be bypassed.

9.07 A team member may require the presence of a Union steward in person as a witness at any meeting when the team member is being issued discipline. Stewards undertake to be reasonably available in person for such meeting. In extraordinary circumstances when a Union steward is entirely unavailable, the team member shall have the right to the presence of another team member of the team member's choice who is working on the current shift. If no meeting takes place, copies of all correspondence with the team member will be given to the Union.

In the event a steward or alternate is not available and the Employer determines that it is necessary to immediately remove the team member from the workplace, the Employer will endeavour to schedule a meeting with the team member and a Union steward as soon as practical thereafter.

Notwithstanding the foregoing in the conduct of an investigation into an incident, including interviews of team members, the Employer has the right to conduct such investigation without the presence of the steward.

ARTICLE 10 – ARBITRATION PROCEDURE

10.01 If the reply of the Regional Director of Operations or designate at Step 2 is not satisfactory to the Union, the matter may then be submitted to arbitration and the following rules governing arbitration shall apply. The submission to arbitration shall be made within fifteen (15) calendar days after the Employer has given its reply at Step 2. If the matter is not submitted to arbitration within the timeframe set out herein, the grievance shall be deemed to have been abandoned and the same circumstances shall not be the subject matter of another grievance.

10.02 Arbitration Process

- (a) No matter may be submitted to Arbitration which has not been properly carried through the Grievance Procedure.

The Party referring the matter to arbitration shall provide the names of three (3) Arbitrators. If none of the three (3) is chosen, then the other party shall, within ten (10) working days, provide a list of three (3) different names for consideration. This process may be repeated one further pass each if a name is not selected. If no name is selected, or a party does not provide its list within the time set out herein, either party may ask the Minister of Labour to make an appointment.

- (b) No person may be appointed as an Arbitrator who has been involved in an attempt to negotiate or settle the particular grievance concerned unless the Parties mutually agree.
- (c) Each of the parties will share equally the expenses, if any, of the Arbitrator.
- (d) The Arbitrator shall have no power to alter, add to, subtract from, modify or amend this Agreement in order to give any decision inconsistent with it.
- (e) The decision of the Arbitrator and all agreements reached under the Grievance and Arbitration procedures between the Employer and the Union and/or their respective representatives shall be final and binding upon the Employer, the Union and the team member(s) involved. Any grievance which has been disposed of under the Grievance and/or Arbitration procedures shall not be made the subject of another grievance.

10.03 The term 'working day' in both the Grievance and Arbitration procedures shall be all days exclusive of Saturdays, Sundays and paid holidays.

10.04 All timelines contained in this article may be extended by mutual agreement of the parties, if done so in writing.

ARTICLE 11 – SENIORITY

11.01 Probationary Period

A newly hired team member shall be a probationary team member and has no seniority rights until she has successfully completed ninety (90) working days or four hundred fifty (450) worked hours, whichever occurs first.

11.02 Seniority Lists

- (a) The Employer shall supply to the Chief Union Steward two (2) separate seniority lists, one for part-time and one for full-time team members. Such seniority lists shall show the team members' names, positions and their service and seniority date. For part-time team members seniority shall be expressed in hours worked.
- (b) The Employer shall post one (1) copy of the seniority lists in the Community in January and July of each year. If a team member does not challenge her information contained in the seniority lists within thirty (30) calendar days from the date of the posting of the list, such information shall be deemed to be correct and shall not be challenged by the team member or the Union thereafter. Employees on an approved leave of absence shall have sixty (60) days from the date of posting to challenge their position on the seniority list. The Employer will mail a copy of the seniority list to all team members on an extended leave, defined as the team member having been on leave for more than sixty (60) days.

11.03 Conversion as between part-time and full-time seniority (where applicable) shall be on the basis of one year equals **1,950** hours paid.

11.04 Loss of Seniority

A team member shall lose all seniority and her employment shall be deemed to be terminated if she:

- (a) voluntarily resigns;
- (b) retires;
- (c) is discharged for just cause and not reinstated through the grievance and/or arbitration procedure(s);
- (d) is absent from work and not been offered or accepted a recall for more than twenty-four (24) months by reason of lay off;
- (e) is absent from work without a reasonable excuse for more than three (3)

consecutive scheduled shifts;

- (f) engages in gainful employment while on an approved leave of absence, unless prior permission was given by the Employer in writing;
- (g) fails to notify the Employer of her intention to return to work within seventy-two (72) hours of being notified by the Employer of recall or fails to return to work on the date and at the time specified in the notification of recall;
- (h) The Union and the Employer agree to abide by the Human Rights Code.**

11.05 It is the team member's sole responsibility to provide written notification of any change in address or phone number to the Employer. Any messages sent to a team member by telephone or by mail to the team member's address in her personnel file shall be deemed to have been received by the team member.

11.06 The Employer will notify a team member one (1) month prior to when her benefits will cease. However the Parties agree that an administrative oversight in this regard does not render the Employer liable for the continuation of such benefits.

11.07 Effect of Absence:

Seniority for purposes of promotion, demotion, transfer and layoff and service for purposes of salary increment, vacation entitlement, sick leave accrual and any other benefits under provisions of this Agreement or elsewhere shall not accrue during an unpaid leave of absence except where otherwise required by law or as specifically stated in this collective agreement. The benefits concerned shall be reduced on a pro rata basis and the team member's anniversary adjusted accordingly.

ARTICLE 12 – LAYOFF AND RECALL

12.01 Layoff Notice

In the event of a proposed layoff of a permanent or long-term nature (*i.e.*, more than thirteen weeks), the Employer shall provide the affected team members with notice according to the Ontario *Employment Standards Act, 2000*. The Employer agrees to provide the Union with as much advance notice as practicable.

12.02 (a) A layoff is defined as a reduction in excess of **twenty-five percent (25%)** of the regular two (2) week gross earnings of a team member in a **four (4) month period**.

- (b) In the **event** of lay-off, the Employer shall first lay-off team members in the reverse order of their seniority within their classification, provided that there remain on the job team members who have the skills to perform the work.
- (c) A team member who receives layoff notice shall have the right to elect one of the following:
 - (i) accept the layoff;
 - (ii) displace the most junior team member with less bargaining unit seniority in a lower or identical paying position within the bargaining unit, provided that the displacing team member is qualified and is able to perform the duties of the job without training. The team member displaced shall then be laid off.

Where a team member who receives layoff notice elects to displace another team member but there are no team members who meet the criteria set out in (ii) above, the team member shall be laid off.

A team member's decision to choose (i) or (ii) above shall be given in writing to the Executive Director or designate within five (5) working days following the receipt of layoff notice. A team member who fails to do so will be deemed to have accepted the layoff.

12.03 Recall Rights

- (a) The job posting procedures as set out in Article 12 of this Agreement will continue to apply to any employee on layoff, meaning that laid off team members will have the same rights under Article 12 of this Agreement as all other team members except as otherwise specified in this Agreement.

In the event that a laid off team member is the successful candidate of a permanent vacancy to a position other than the original position from which she was laid off, she shall maintain her recall rights to her original position for the balance of the recall period as set out in this Article.

- (b) If a job vacancy remains unfilled following the completion of the job posting procedures under Article 12 of this Agreement, the Employer will offer laid off team members the opportunity to recall to such a job vacancy in order of seniority, provided that the team member is qualified and is able to perform the duties of the job without training.
- (c) It is the sole responsibility of the team member who has been laid off to notify the Employer of her intention to return to work within seventy-two (72) hours after the receipt of notification of recall by registered mail or courier and shall return to work on the date and at the time specified in the

notification. The date of receipt shall be deemed to be two (2) days following the Employer sending the notice by registered mail or courier to the team members' current address on file with the Employer. The notification of recall shall state the job to which the team member is eligible to be recalled and the date and time at which the team member shall report for work. The team member is solely responsible for his proper address being on record with the Employer.

- (d) A laid off team member shall retain (but not accrue) service and rights of recall for a period of twenty-four (24) months.
- (e) Team members on lay-off or notice of lay-off shall be given preference for temporary vacancies which are expected to exceed ten (10) working days provided they have the skill and ability to perform the work without training.
- (f) A team member who has been recalled to such temporary vacancy shall not be required to accept such recall and may instead remain on lay-off.

12.04 Benefits on Layoff

In the event of a layoff, provided the team member deposits with the Employer her share of group benefit plan premium for each succeeding month, the Employer shall pay its share of the group benefit plan premium for a period of up to three (3) months from the end of the month in which the layoff occurs, or until the laid off team member is employed elsewhere, whichever occurs first.

ARTICLE 13 – JOB POSTING

13.01 Subject to Article 12.09 of this Agreement, in the event that new jobs are created or vacancies occur in existing job positions including new positions created for a specific term or task, and the Employer desires to fill such jobs or vacancies, the Employer will post such new jobs or vacancies for a period of ten (10) working days. Such postings will set out, for information purposes, the classification, the start date of the position, qualifications and department concerned.

The Employer agrees to provide a Union steward with a copy of each job posting. The Parties agree that an administrative oversight in this regard does not void the job posting.

Any team member within the bargaining unit who has successfully completed her probationary period may apply to such job posting until 10:00 a.m. on the day following the removal of the job posting. In the event that there are no applicants from within the bargaining unit who have completed their probationary period the Employer agrees to consider applicants who are probationary team members prior to hiring outside of the bargaining unit.

_13.02 The Employer shall notify the successful applicant and the Union in writing.

13.03 Until the vacancy is filled pursuant to Article 12.01 of this Agreement and during the posting period and the consideration of applicants, the Employer is free to fill the vacancy as it sees fit on a temporary basis.

13.04 No external applications shall be considered until the internal process has been exhausted.

13.05 In promotions, transfers and staff reductions, the Employer will consider team members' qualifications including but not limited to skill, ability and experience to perform the work required without training other than orientation. Where in the Employer's opinion the above-noted factors are relatively equal, seniority shall be the determining factor. The Employer agrees that its assessment of team members' qualifications will not be made in a bad faith, arbitrary or discriminatory manner.

13.06 The successful applicant of the job posting process set out in Article 12.01 of this Agreement shall be placed on trial in the new position for a period of seventy-five (75) working days or three hundred seventy five (375) working hours. The trial period may be extended by mutual agreement for up to an additional thirty (30) working days or one hundred and fifty (150) working hours. Such trial promotion or transfer shall become permanent after the trial period unless prior to its expiry:

- (i) the team member feels that she is not suitable for the position, and exercises her right to return to her former position; or
- (ii) the Employer feels that the team member is not suitable for the position and exercises its right to require the team member to return to her former position.

It is understood and agreed that once the trial period has expired, the Employer no longer has the right to return a team member to her former position and the team member no longer has the right to return to her former position.

In the event of (i) above, the team member shall be precluded from applying for any new vacancy for a period of three (3) calendar months. Only the original vacancy shall be posted, and all vacancies which may occur as a result of having filled the original vacancy shall be filled as per the collective agreement.

In the event of either (i) or (ii) above, the team member shall return to her former position and salary without loss of seniority, any other team member promoted or transferred as a result of the rearrangement of positions shall also be returned to her former position and salary without loss of seniority.

- 13.07 (a) Where vacancies are posted for full-time positions and no full-time applicants are successful in obtaining the posted positions, applications submitted for such posting from part-time team members shall be considered prior to consideration of persons not employed by the Employer.

In the event that one or more team members apply, the Employer will consider team members' qualifications including but not limited to skill, ability and experience to perform the work required without training. Where in the Employer's opinion the above-noted factors are relatively equal, seniority shall be the determining factor. The Employer agrees that its assessment of team members' qualifications will not be made in bad faith, arbitrarily or in a discriminatory manner.

- (b) Where vacancies are posted for part-time positions and no full-time or part-time applicants are successful in obtaining the posted positions, the Employer may consider applicants not employed by the Employer.

For the purposes of part-time job postings, full-time seniority shall be converted into hours to determine the seniority of the full-time applicant.

- (c) When a team member is reclassified from the full-time to part-time, seniority in terms of days and years accumulated as a full-time team member shall be converted to seniority in terms of one (1) year equals 1950 hours paid. A team member whose status is changed from part-time to full-time shall receive credit for her full seniority on the basis of one (1) year of seniority for each **1950** hours paid. Any time worked in excess of an equivalent shall be prorated at the time of reclassification.

- 13.08 It is understood that the Employer may elect to fill a part-time vacancy by expanding the hours of work of existing team members instead of using the process set out in this provision.

13.09 Temporary Vacancies

A temporary vacancy is defined as a vacancy which arises due to a team member's absence.

Any temporary vacancy with an anticipated duration of six (6) weeks or more will be posted. Part-time team members shall be given the first opportunity to fill temporary vacancies. The Employer will outline to the team member selected to fill the vacancy the anticipated conditions and duration of such vacancy.

ARTICLE 14 – PRINTING

- 14.01 The parties will share equally in the cost of printing sufficient copies of the

ARTICLE 15 – LEAVE OF ABSENCE

15.01 The Executive Director or designate may grant, at her discretion, a request for a leave of absence without pay for extenuating personal reasons, provided that she receives at least one (1) month's notice in writing unless it is impossible to do so, and that such leave may be arranged without undue inconvenience to the efficient operations of the Community. A team member requesting a leave of absence must indicate the date of departure and specify the date of return at the time of her request. If a leave of absence is granted, the team member shall be advised in writing with a copy to the Union.
